

The South Carolina Patriots

Grand Strand Chapter

To my Elected Officials:

Whereas: The SC Constitution states in Article 1, Section 1, "All elections by the people shall be by secret ballot, but the ballots shall not be counted in secret. The right of suffrage...shall be protected by laws regulating elections and prohibiting, under adequate penalties, all undue influence from power, bribery, tumult, or improper conduct."

Whereas: The SC Constitution states in Section 4 "Every citizen of the United States and of this State of the age of eighteen and upwards who is properly registered is entitled to vote as provided by law" and in Section 6 "The General Assembly may require each person to demonstrate a reasonable ability...to read and write the English language as a condition to becoming entitled to vote" and in Section 8 "The General Assembly shall provide for the registration of voters...The registration lists shall be public records."

Whereas: SC State Code Section 7-13-1655 requires the SEC to "(c) maintain records of system errors and defects; and (d) maintain and produce audit trail information..."

Whereas: The 2020 election has been frocked with malfeasance in state after state and this destroys the integrity of the process of free exercise of the lawful authority of WE THE PEOPLE to govern ourselves AND without election law enforcement and integrity, THERE CAN BE NO RULE OF LAW

Therefore: I urgently request that you as my elected representative publicly support, co-sponsor, and vote for the COMPLETE FORENSIC audit of the 2020 SC Election AND a review of the entire voter registry for this state to purge all deceased, disqualified or unqualified voters from the SC Electors list so that our election integrity may be ensured moving forward.
